COACHES CONFERENCE

2024

CONNECT. ENGAGE. GROW. TOGETHER.

A PREMIER EVENT FOR OUR COMMUNITY OF COACHES

WEEKLY SPOTLIGHT OF SPEAKERS

ANGIE HOLLERAN ICF REGIONAL MANAGER NORTH AMERICA AND LATIN AMERICA

Angie Holleran is the regional development manager for the North America, Latin America, and Caribbean (NALAC) team that is a part of the ICF Professional Coaches family. She joined ICF in September 2010 as a credentialing coordinator on the Credentials & Standards team and over time, was promoted to be the assessor manager. She has extensive experience with the ICF credentialing process, including renewals, credential application review, Assessor assistance, PCC Marker training, portfolio applications, and the credentialing process as a whole. In April 2021, Angie became the regional development manager and supports the northeast and southeast regions of North America. Angie completed Coach U's certification course to become a certified professional coach and is working towards her Associate Certified Coach (ACC) credential.

NANCY SCOTT, PH.D., LEADERSHIP DEVELOPMENT/ ASSESSMENTS ICFTN BOARD MEMBER, DIRECTOR OF EVENTS

Leveraging Assessments for Effective Coaching Practice

Nancy Scott is the leadership development programs director for the Graduate and Executive Education programs, including Executive Education, Healthcare, Leadership & Strategy and Physician Executive MBA, where she designs and heads the leadership development assessments and programming. She has more than a decade of experience in leadership development for working professionals. Scott is a certified facilitator in the LEGO SERIOUS PLAY® methodology, the Strengths Deployment Inventory and the Hogan Assessments.

In this dynamic session, participants will explore the strategic use of assessments in coaching to enhance self-awareness, identify strengths and areas for growth, and facilitate meaningful development conversations. The session will provide an overview of various assessment tools, including personality inventories, 360-degree feedback, and behavioral assessments, and demonstrate how these tools can be integrated into coaching practices to create tailored development plans. Through interactive discussions, participants will gain insights into selecting appropriate assessments for different coaching scenarios, interpreting assessment results, and using them to drive actionable outcomes. This session is ideal for coaches seeking to deepen their understanding of assessment tools and enhance the impact of their coaching engagements.

ICFTN has a shared commitment to diversity, inclusion and belonging as we work to make coaching an integral part of a thriving society.
